Easter Egg Placemats

Using Shape Cut™ Ruler

Finished size: Approximately 14" x 16"

Materials (for two placemats):

June Tailor® Shape Cut™ Ruler
June Tailor® Ink Jet Printable Freezer Paper
Fusible Web
1/8 yd. each of 6 prints
Fat quarter for baskets
105" of bias binding
Batting

Directions:

Placemat Top:

1. Using Shape Cut™ ruler, cut strips 15" long by various widths from each of the six print fabrics. Sew strips together using 1/4 seam allowance to make two strip sets measuring 15" x 17". Press seams open. Enlarge egg pattern to measure approximately 14" high. Trace egg shape onto strip set for placemat top.

Appliques:

2. Print basket and bow clip art applique pattern pieces onto June Tailor® Ink Jet Printable Freezer Paper following manufacturer's instructions. Do not mirror image.

3. Apply fusible web to the wrong side of the bow and handle fabrics, following the manufacturer's instructions. Iron the printed freezer paper patterns to the right side of the bow and handle fabrics. Cut pieces from fabric and remove freezer paper and fusible web backing paper.

4. To make utensil basket, layer two pieces of fabric, right sides together. Place on a layer of batting and pin. Cut freezer paper basket pattern 1/4" larger around entire pattern and iron onto top wrong side of fabric. Sew through all layers using a 1/4" seam allowance. Remove freezer paper and trim close to stitching. Carefully separate the two layers of fabric and cut a slit through the top layer of fabric only, near the bottom of the basket. Turn right side out through slit and press edges. Quilt basket using a basket weave pattern.

5. Following the manufacturer's instructions for fusible web, apply basket handle and bow to pieced placemat making sure to leave enough room for the basket.

Finishing:

6. Layer placemat, batting and backing. Quilt around appliques using a straight, satin or buttonhole stitch. Quilt balance of placemat as desired. Sample shown uses a meandering stitch.

7. Cut out placemat on egg shaped marking and bind.

8. Pin utensil basket in place and sew sides and bottom to placemat, leaving top open.
