

## **Mini Fringe Cut™ Blanket**

### **Materials:**

1 1/3 yards each of two coordinating fleece fabrics

Skill level: Easy

Crafting time: 2 hours

### **Instructions:**

Layer two pieces of fleece wrong sides together aligning raw edges. Cut four sides of fabric to measure 54"x 48" making sure to square up and remove salvage edges from both ends.

Following instructions provided for use of Mini Fringe Cut™ ruler, cut fringe on all four sides to measure 1/2" wide by 5" long. Note: You will be removing a 5" square from each corner.

Using and overhand knot, tie two coordinating fringe strips together. Complete around entire blanket. Note: Be careful not to stretch fringe when tying knots.
