

## **Mini Fringe Cut™ Pillow**

### **Materials:**

14" Pillow Form

2/3 yards each of two coordinating fleece fabrics

Skill level: Easy

Crafting time: 1 hour

### **Instructions:**

Layer two pieces of fleece wrong sides together aligning raw edges. Cut fabric to measure 24" square, making sure to cut away salvage edges.

Following instructions provided for use of Mini Fringe Cut™ ruler, cut fringe on all four sides to measure 1/2" wide by 5" long. Note: You will be removing a 5" square from each corner.

Using and overhand knot, tie two coordinating, front and back, fringe strips together. Complete around three sides of square. Note: Be careful not to stretch fringe when tying knots. Insert pillow form. Complete tying the fourth side of the pillow.
