Place wavy edge of ruler close to remaining outside edge of placemat, with bottom "0" straight edge at end. Holding ruler firmly in place cut through all layers.

Unfold fabric and using a 1/2" seam allowance, stitch layers leaving a 6" opening on one long edge. Clip corners and turn placemat right-side out. Press edges and stitch opening closed.

Using fabric marker and wavy edge ruler, draw wavy lines in a criss-cross diagonal pattern 3" apart. Following the form of the outside edge of placemat, quilt 1/2" in from edge. Using the traced lines as a guide, quilt the remainder of the placemat.

To create the silverware pocket, place 5 x 7 1/2" fabrics right sides together and fold in half widthwise. Place on cutting mat. Place wavy edge of ruler close to raw edges of fabric and cut through all layers. Unfold fabric. If desired, use wavy edge of ruler to cut shape into bottom edge. Using 1/2" seam allowance, stitch sides and bottom. Clip bottom corners and turn right side out. Fold top raw edge inward 1/2", press, turn inward 1/2" and press again. Hem stitched if desired.
