

Fabric-Stick Instructions

Fabric-Stick fabric sheets are great for personalizing with photos and graphics using your computer and color ink jet printer. Soft, pliable fabric designs can be applied to virtually any surface with this unique peel and stick backing. Ideal for scrapbooking and craft projects.

Instructions:

- Design your image on the computer using your own photos, graphics or text.
- If desired, test print your image on a plain sheet of paper.
- Load one Fabric-Stick Sheet into printer so printing will appear on the unmarked, fabric side of the sheet.
- Printer should be set at normal quality, plain paper. Print image.
- Allow ink to dry 30 minutes.
- Trim around edges of image if desired.
- Remove backing paper and apply to your project.
NOTE: Fabric-Stick is repositionable on certain hard, solid surfaces. Not repositionable on paper.

This product is NOT washable.

This product is intended for use in standard ink jet printers only. Do not use in other printers or copiers such as laser printers or any other printer/copier that applies heat, as it may damage the machine. Test the product you plan to use to determine the suitability of the product for your equipment, methods and substrate material.
