# DIRECTIONS

**Helpful Hint:** Tilt rotary cutter blade at a slight angle when placing into teardrop shape for easy insertion.

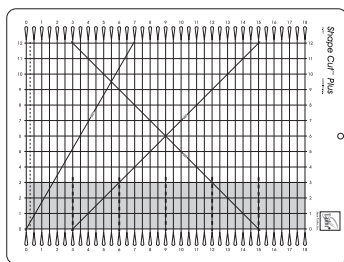

## To Cut Strips:

1. Fold fabric selvage to selvage.
2. Fold again in same direction.
3. Lay Shape Cut™ Plus over fabric, with raw edges extending slightly beyond vertical slot marked "0" and bottom fold of fabric at horizontal line marked "0".
4. To square up raw edge of fabric, insert blade in "0" slot marking and cut.
5. Cut subsequent strips to desired width.

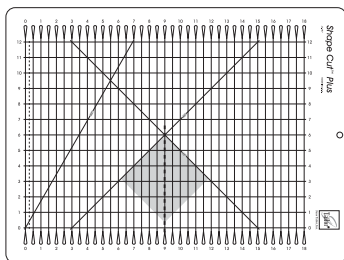

## To Cut Squares:

1. Cut strips in desired width following previous instructions.
2. Keeping cut strips intact, lift Shape Cut™ Plus and turn 90°.
3. Cut desired width in opposite direction.

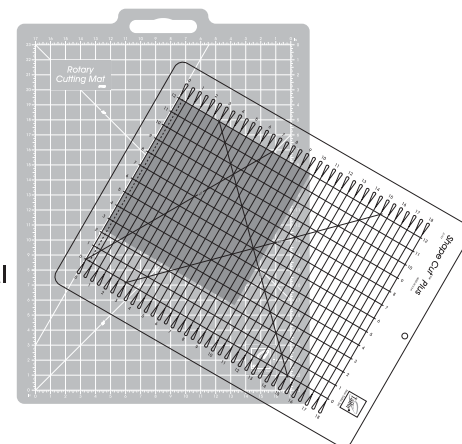

## To Cut Triangles:

1. Line up corner of square under 45° markings on Shape Cut™ Plus.
2. Cut in half through the diagonal using slot marking that runs through center of square.

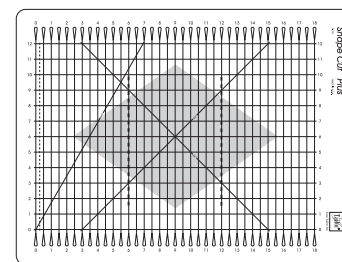

## To Cut Diamonds:

1. Line up fabric on either 45° or 60° marking on cutting mat.
2. Align vertical slot openings on Shape Cut™ Plus with 45° or 60° marking on mat. Cut strips in desired width.
3. Keeping cut strips intact, lift Shape Cut™ Plus and rotate in clockwise direction until vertical and horizontal lines on Shape Cut™ Plus, match vertical and horizontal lines on cutting mat.
4. Cut strips in desired width to form diamonds.

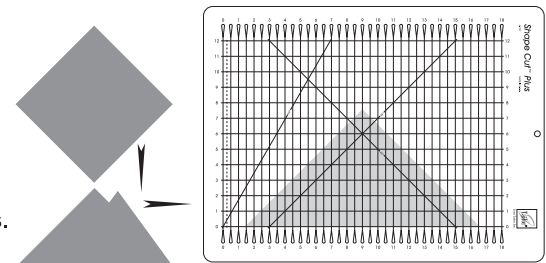

## To Cut Hexagons:

1. Cut diamonds using 60° marking on your rotary cutting mat.
2. Center each diamond horizontally under the number 9 slot on the Shape Cut™ Plus.
3. Cut half the width of the diamond on each side of the center, number 9, slot opening.

## To Cut Bias Strips:

1. Fold fabric in half diagonally.
2. Line up fold with "0" horizontal marking on Shape Cut™ Plus.
3. Cut strips in desired widths.

## To Cut Strips in 1/4" Increments:

1. Square up fabric.
2. Use tables to locate the size width strip you need.
3. Make first set of cuts as instructed.
4. Shift Shape Cut™ Plus so cut edge of fabric is on the 1/4" dotted marking.
5. Make second set of cuts as instructed.
